The Mothers Group

is delighted to invite

Brisbane Girls Grammar School Year 9 Mothers

To a Friendship Dinner

Guest Speaker: Mr J Wheatley, Head of Geography will provide the following presentation:

Connecting Places, Connecting People

Nothing ever stays the same anymore—the world appears to be constantly shrinking. Today it is possible to be aware of global events almost instantaneously or integrate technology from all over the world into our daily lives with the click of a button. While we live in a world that is becoming more specialised and more dependent on each other, the idea of the backyard has changed such that now our neighbours stretch beyond our borders. Geography helps to connect places and people throughout the world at all levels.

Monday 2 June, 2008
6.45 pm for 7.00 pm
in the Creative Learning Centre
Brisbane Girls Grammar School, Gregory Terrace.

Tickets $25 per person

Year 9 Mothers Group Dinner
Please RSVP by Thursday 29 May, 2008. We look forward to receiving your response by returning this form to the School by mail, or fax to 07 3839 3187, or place in the Mother’s Group Box under the stairs in the main administration building at the School.

Payment is made on the evening
