International Affiliate Schools Programme

Visits and Hosting 2008

The School required families to host international students from its Affiliated schools during periods in **February in Term I and/or in Term II**. Visiting School’s details are as follows:

- **Lycée Saint Paul in Angoulême, France.** This hosting is usually for two to three weeks in February. Age group: 15 – 17 years, male and female. Suitable for Years 10-12.

- **Maria-Wächtler Schule in Essen, Germany.** We have been asked to host four students, who will visit between the end of Term II until early August. (Dates to be confirmed) For 10 days of this visit the students will be on tour to the north of Queensland. Age group: 16-17 years. Suitable for Years 11-12 students.

- **Mie Junior and Senior High Schools in Matsusaka.** Two weeks, early in Term III. Age group: Mie Junior High, 14-15 years. Mie Senior High, 15-16 years. Suitable for all Year levels.

- **Seirinken High School in Tsushima, one student for eight weeks in Term III.** For this student we would be looking for families who could host for a minimum of four weeks. Age group: 16-17 years. Suitable for Years 10-12

For many years we have accepted one long term student from Seirinkan High from April until March the following year. This student enters Year 11 and in recent years has not been hosted by a Brisbane Girls Grammar School family. However, it is our aim to return this hosting into our School community to ensure that this long term student programme can continue successfully.

This requires longer periods of hosting — at least one Term and including adjoining school holidays. Please contact me if you are interested in hosting such a student for a period within these parameters.

To indicate your willingness to be part of the hosting programme for 2008, please complete the hosting form accompanying this notice and return to Ms L Thornquist, in room C408, C Block as soon as possible. For further information, please contact Ms Thornquist at lthornquist@bggs.qld.edu.au
