1. The School has an all-inclusive fee policy and the Tuition Fee covers the cost of tuition and a range of curricular and co-curricular activities including academic camps, the visual and performing arts programme, group music tuition, class excursions, QGSSSA/club and other sporting nominations, provision for qualified sports coaches and creative arts instructors, use of the library, printing and internet facilities. The costs of curriculum items such as textbooks (excluding digital resources - included in tuition fees), language periodicals, and specialised equipment/materials are a parent responsibility.

2. The Tuition Fee does not include the costs of co-curricular and sporting camps/tours, other nominated, special or voluntary activities, some sporting club levies and registration fees. Parents are notified of these costs either through the School’s newsletter or by other forms of correspondence and these costs are a separate charge to fee accounts.

3. Fees for private lessons are to be paid direct to the person providing the service. Parents receive a separate account for these lessons from the teachers, tutors or coaches concerned.

4. New parents will be asked to nominate a preferred payment method before the start of the school year. For existing families, previous billing frequency will continue unless requested otherwise.

TERMINATION OF ENROLMENT

Parents wishing to terminate their daughter’s enrolment prior to her completion of Year 12 are reminded of their Enrolment Agreement for written notice to be given by no later than the first day of the term at the end of which it is intended she should leave, or if it is intended she should leave during the term, by no later than the first day of the preceding term. Parents failing to comply with this requirement will pay or forfeit (as the case may be) to the School ten weeks’ fees in lieu of notice.

CHARGE ON OVERDUE ACCOUNTS

For planning purposes, the due dates for payment of fees are listed in the schedule below. The due date for payment is also advised with each billing statement. Payments not received by the due date are considered to be in arrears and in breach of the Enrolment Agreement and will be subject to an administrative charge which is made in accordance with School policy.

FEE PAYMENT POLICY

The School’s fee payment policy is detailed on the reverse of this schedule.

ANNUAL FEE BILLING AND DISCOUNTS

Discounts for Tuition Fees are available where annual fees are paid in advance and are received on, or prior to the due date notified by the School. The amount payable (net after discount) is $21,266 and the due date for payment to be eligible for the discount is 30 January 2015.

FEE PAYMENT POLICY

1. The Board of Trustees ('Board') is responsible for the development of the School's Fee Payment Policy ('Policy').

2. The Policy, and the fees and charges payable pursuant to it, are subject to review by the Board. Notice of any change to the Policy or the fees may be given to parents by mail or email, and made available to the School community via the School’s website.

3. As a differentiator from many other independent schools, the School has an all-inclusive tuition fee policy. This means that as far as practicable the tuition fee includes the cost of most curricular and co-curricular activities including: academic camps; the visual and performing arts programme; group music tuition; class excursions; QGSSSA, Club and other sporting nominations; provision for qualified sports coaches and creative arts instructors; library, printing and internet facilities.

4. The tuition fee does not cover the cost of:
   - some co-curricular and sporting camps/leisure; other nominated, special or voluntary activities; and some sporting club levies and registration fees
   - textbooks and stationery
   - uniforms
   - student electronic devices
   - private lessons arranged through the School
   - medical or dental treatment arranged by the School's Health Care Coordinator
   - medical, dental and pharmaceutical expenses for illness or injury suffered by a student while attending, or arising out of, an approved School activity
   - donations

Parents will be notified of costs in addition to tuition fees, which will be separately charged to fee accounts.

5. Tuition fees will be reviewed on an annual basis and annual tuition fee increases approved by the Board. Parents will be notified of annual tuition fees and due dates in writing by mail or email prior to the commencement of Term 1 of each School year. The updated tuition fee schedule will be published on the School’s website.

The following factors may be considered during the Board’s review of the annual increase of tuition fees: increases in staffing costs; predicted increases in utilities; interest rates; predicted inflation rates; maintenance requirements; new developments and expansions to the curriculum and co-curricular programme offerings; increased technology requirements; government compliance requirements; new capital expenditure; Government funding levels

6. Receipts will be issued for payment of fee accounts only on request.

7. The individuals who are party to a Student Enrolment Agreement with the School accepting financial responsibility are jointly and severally liable for the student’s tuition fees and any other costs associated with the student’s enrolment at the School. This means that each individual who signs the Student Enrolment Agreement accepting financial responsibility is personally liable for the full amount owed to the School. Where more than one individual signs the Student Enrolment Agreement accepting financial responsibility (for example, where both parents sign) the School may at its absolute discretion elect to pursue any signatory for the full amount owed.

Where the School is provided with a Court Order which provides for an alternate arrangement (as between the parents) for payment of the student's tuition fees and any other costs associated with the student's enrolment at the School, the School may act on the Court Order at its absolute discretion, to the extent permitted by law and will act in accordance with the Court Order as required by law.

8. Fees can be paid as follows:
   - annual payment in advance each year, for which a discount is available if fees are paid by the due date;
   - quarterly in four equal instalments through the year
   - monthly in ten equal instalments through the year (direct debit facility must be used for this option and an annual administration fee is charged). The administration fee for monthly payments was calculated based on additional time spent by staff in managing these accounts.

The administration fee for monthly payments was calculated based on additional time spent by staff in managing these accounts.

Once the nomination is made, it will stay current for the duration of the year. One change may be allowed, assessed on individual circumstances.

9. Where fees are not paid by the due date they will be considered overdue and will be subject to an Administration Charge in accordance with the School’s Administration Charge Determination Policy.

Should direct debit default and not be rectified within a week, the full amount will be considered overdue and paragraph 10 will apply. Normal debt collection process will also commence.

10. Overdue accounts will result in a review of the student’s continuing enrolment. The School may, at its absolute discretion, terminate a student’s enrolment where any tuition fees and charges levied by the School, including any fees and charges required to be paid prior to the student’s commencement at the School, are overdue and remain unpaid. The rights and remedies of the School in this regard will not be prejudiced or affected by any time or other indulgence granted to the parents.

11. The School may, at its absolute discretion, enter a repayment arrangement in writing with parents with respect to overdue accounts. However, parents should not expect that a repayment arrangement will be made available to them. Where a repayment arrangement is not honoured, the overdue account will result in a review of the student’s continuing enrolment, as set out above.

12. A student will not be permitted to attend co-curricular or sporting excursions, tours or camps unless all amounts owing to the School (including the costs associated with the excursion, tour or camp) have been paid in full by the date(s) any such amounts are required to be paid.

13. Legal costs incurred in the collection of outstanding fees and charges will be recoverable in addition to the Administration Charge. Any legal costs and any Administrative Charge will be recorded as separate items in fee account statements.

14. Where a student will be absent from School attending another educational institution overseas and the attendance has been approved by the School, fees will be charged as follows:
   - if less than one term the full tuition fee will be charged.
   - more than one term but less than a year the student will pay one term fees only

Where a student will be absent for a year or more and the family require that a place be held for the student at the School then the parents will be expected to pay one term’s notice and a once off holding fee of $2,000.

15. Discounts will be provided for fees paid in advance. The following discount percentages will be applied to projected future fees (based on the 10 year forecast determined by the Board from time to time):
   - 1 year in advance – 2%
   - 2 years in advance – 3%
   - 3 years in advance – 4%
   - 4 years in advance – 5%
   - 5 years in advance – 6%
   - 6 years in advance – 7%

Should a student’s enrolment terminate for any reason, advance fees paid but not yet attributed to the student’s fee account will be refunded in full, subject to deduction of any fees in lieu of notice due under the Student Enrolment Agreement.

16. Payments by American Express will attract a surcharge of 1.5%. Payments by Visa or Mastercard will attract a surcharge of 1%.
