Grammar takes out nationals

THREE-PEAT CAPS TRIUMPH

THE future of Australian fencing could be thrusting and parrying away at Brisbane Girls Grammar School.

For the third year in succession, Grammar recorded a clean sweep at the Australian School Team Championships at Yeronga this month, finishing with gold in the foil, epee and sabre events.

“The results are a testament to the skill and enthusiasm shown by our teams,” BGGS fencing coordinator Peter Creese said.

“The championship is also a great opportunity for (equipping) younger fencers with skills for the future.”

NUMBERS GAME

Girls Grammar fielded seven teams across three events at the national titles. Ten other schools from Queensland, NSW and Victoria fielded a combined total of 19 teams.
