

Invitation to host an overseas student

This year Girls Grammar looks forward to once again welcoming visiting students from International Affiliate Schools. This program, active for more than 30 years, provides an international dimension to the lives of our students.

Girls Grammar has ongoing contact and exchanges with schools in France, Germany, China and Japan. Families are invited to host visiting students. Please note your daughter does not need to be studying languages to become a host family.

Hosting periods are approximately 10 days. We simply ask you to include a visiting student in your routine to share experiences on both sides. Most overseas students visit in Term 3 and includes hosting students from the following Affiliate Schools:

Werner-Heisenberg Gymnasium, Neuwied, Germany (October 2019)

The students from Neuwied will visit Girls Grammar for the second time in October, in Week 2, Term 4. Twelve students will stay for 10 days. These students are aged between 14 to 16 years.

Shanghai No. 3 Girls School, Shanghai, China (TBC in 2019)

Students from China will visit the School in August and stay with host families for just two nights. The dates are yet to be confirmed. This is the first time in many years that they have visited us for this length of time and it is exciting to see the program reinvigorated.

Mie Junior and Senior High Schools, Matsusaka, Japan (July 2019)

These students will visit for two weeks in Term 3. Age group: Mie Junior High, 14 to 15 years. Mie Senior High, 15 to 16 years. Suitable for all year levels.

Seirinkan High School, Tsushima, Japan (not in 2019)

One or two students will visit for eight weeks during Term 3. For these students we would be looking for families who could host for a minimum of four weeks. These students are aged between 16 to 17 years. Suitable for Years 10-12.
