

CHANGES TO TRAFFIC ACCESS TO THE BGGGS CAMPUS

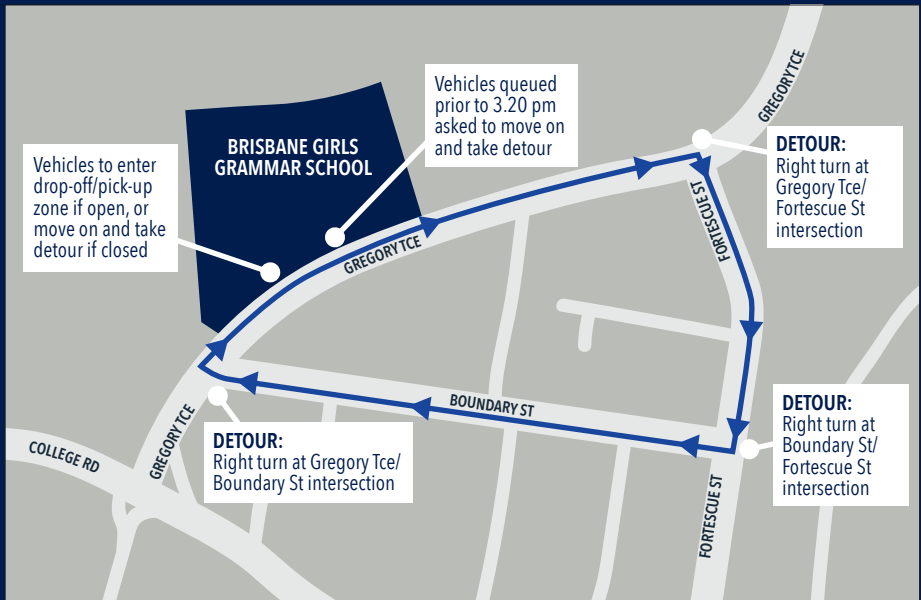

BRISBANE GIRLS GRAMMAR SCHOOL

From Monday 22 July 2019, changes to traffic access to the BGGGS campus will take effect. These changes may require parents to adjust routines to ensure the best outcomes for all in our community, including protecting the safety of students and improving traffic flow.

These changes include:

- BGGGS pick-up opening time will now be 3.20 pm, with parents directed to follow a detour if arriving earlier than this time (*please see a detour map overleaf*)
- wait time limited to three minutes
- strictly left-turn from pick-up zone onto Gregory Terrace
- no queueing over the Motel on Gregory driveway, bike lanes or no-parking zones, noting that Brisbane City Council enforces these restrictions and does issue infringement notices
- students will be stopped by BGGGS staff if attempting to cross Gregory Terrace on a flashing red walk-signal.

DETOUR

Parents who arrive to collect their daughters prior to 3.20 pm will be directed to follow the detour outlined in this map, until the opening of the drop-off/pick-up zone.

For further information about these changes, please visit Parent Portal or contact Communications and Engagement via communications@bggs.qld.edu.au.
