# Girls Grammar's Mothers Group Open Day Bake Stall

## Packaging Options

This year, the Girls Grammar's Open Day is aiming to use ecologically friendly and consumable packaging items. In helping to achieve this goal, the Mothers Group has sourced compostable and recyclable packaging for the items you contribute to the Mothers Group Open Day Bake Stall.

Packaging will be available for collection from the Heads of House Waiting Room in the School's Main Building from Tuesday 23 July.

Please attach a *name label* to all packaged goods and note if the item has any special ingredients or characteristics (e.g. gluten, dairy, egg and nut free, vegan).
