BRISBANE GIRLS GRAMMAR SCHOOL

1. App Login

When you download and open the app for the first time, you are required to login to access the content within the BGGGS App. You can login using the same username and password that you use to access the Parent Portal section of the School's Website. You only need to login once as the app will remember your login details.

2. Push Notifications

When prompted by the App, please select the *Allow Notifications* option when requested by the app. This will ensure you are notified when there are notices and updates within the app and that you receive any emergency communications from the School.

Settings

Notification Settings

Changing these settings controls the Notification Settings within News section and allows control of Alerts, Email digests and Push notifications from Minerva. These settings are geared towards Minerva users such as students.

Subscriptions

Subscriptions controls the information and push notifications sent via the Notices button. This section is focused towards parent communications from Co-curricular and other areas of the School. We encourage that App users update these subscriptions to focus the information to areas of the School that your daughters are engaging with.

Reset App

If you are having issues with the App, this option will reset the App back to its initial settings and you will be prompted to login again.
